

305 SPRINT CAR NATIONALS FORMAT

FRIDAY, OCTOBER 18TH, 2024 | SATURDAY OCTOBER 19TH, 2024

TIME TRIALS:

Time trials will be 4-5 car Group Sessions, with order determined by a blind draw. You will only be timing against your set heat race. If a driver misses their assigned timed group session, they will get one lap at the end of their group. Drivers and cars must make weight after time trials.

HEATS RACES:

FRIDAY NIGHT - The top four fastest cars from each time trial group will be inverted, with the remainder of the line up to be heads-up from time trials. The winner and quick time - as long as they are in a transferring position - will be locked into the redraw.

SATURDAY NIGHT - There will be NO invert, line-up will be heads-up (Quick-Time - P1, Second Quick - P2, etc). The heat race winners and Top 4 finishers from Friday's feature will be locked into the redraw for the 50 Lap feature.

B-MAIN:

The B-main will be aligned in the following manner: The fastest two cars from time trials that do not qualify through the heat race will start first and second respectively. The remainder of the B-Main line-up will be heads up from the heat race finish.

FEATURE:

Line-up to be the redraw cars followed by heat race finishers in heads-up order. B-Main qualifiers will line up behind all heat race qualifiers in the order from the B-Main finish.

RESTARTS:

All restarts will take place with the lead lap cars moved to the front of the field. Lapped cars will pull to the inside and fall in behind the last car. Heat race and B-Main restarts are double file. Feature restarts are to be double file till half way unless three yellow flags have come out for any reason, then single file till the checkered flag.

MATCH RACES SATURDAY:

Match races will be reserved for top 6 in MASS Overall Points and top 4 finishers from Friday Night's A-main that were not top 6 in points. This will be an exhibition race for cash and will not have an impact on starting positions for Saturday's Nationals.

50 LAP FEATURE FUEL STOP RULES:

Due to the limited number of crew members some teams may have, we will make sure everyone has time to add fuel to their cars. There will be a **FIVE MINUTE OPEN RED**. No jacks can be brought out on track and no tires will be changed or come off during the open red.
